

complete boatcare range

Introducing the International Boatcare range of products. Each product in the International Boatcare range is designed to both beautify and protect your boat and have been formulated with ease of use in mind. These products can be used either on their own or in combination with others. By following this simple 3-step multipurpose boatcare system you can care for your boat in the least amount of time! All International boatcare products are safe for painted, fibreglass, wood and metal surfaces.

3 step multi-purpose boatcare

All the products in this boat care range can be used individually or in combination with others, and have been specially designed with ease of use in mind. This complete range provides everything you need for in-season maintenance.

By following this simple 3 step guide you can clean, restore, polish and protect your boat in the least amount of time and achieve results that shine!

1: cleaning

All-Purpose Boat Soap

- Concentrated wash with a wax effect. Environmentally friendly formula, that leaves surfaces shiny and water repellent
- Can be used with fresh or salt water

Fibreglass ✓ Paint ✓
Wood ✓ Metals ✓

2: preparation & restoration

Heavy Duty Stain Remover

- Reactive gel formula, no need to scrub, will not run and is easy to control
- High strength, formula that aggressively and quickly removes stains, wax, yellowing, oxidation and waterline scum lines

Fibreglass ✓ Paint ✓ Wood ✓ Metals ✓

Light Duty Rubbing Compound

- Removes light scratches, minor oxidation and restores finish to topsides
- Will not dry or chalk during application, for a long working time

Fibreglass ✓ Paint ✓ Metals ✓

THE TEFLON® ADVANTAGE! Teflon is an extraordinary and versatile technology known for its friction reducing, easy to clean and non-stick properties. It also adds durability and longevity to finishes. UV rays, salt, oil, bird droppings, acid rain along with engine exhaust, rust, and waterline stains all make the marine environment a very hazardous place for your boat. Teflon makes surfaces easier to clean, increases durability and adds a super low friction, non-stick, dirt repellent finish. Teflon technology is now available in PREMIUM TEFLON® MARINE WAX with Cleaner and UV PROTECTANT & TEFLON® WAX SEALER thereby making it easier to clean and protect your boat.

3: polishing & protection

Advanced 2 step polish & wax

Premium Teflon® Marine Wax with Cleaner

- One step cleaner wax that cleans, polishes and protects
- Teflon provides ease of cleaning and a super low friction, non-stick surface that leaves a high gloss dirt repellent finish

Fibreglass ✓ Paint ✓ Metals ✓

UV Protectant & Teflon® Wax Sealer

- Reactive formula hardens after 24 hours providing ultimate surface and wax protection
- Teflon provides ease of cleaning and a super low friction, non-stick surface

Fibreglass ✓ Paint ✓ Metals ✓

3 step woodcare

Enjoy the beauty of natural teak with this simple 3-step woodcare system. Clean, restore and protect your deck, hand and toe rails, cockpit gratings etc with minimum effort.
