One Year, One Paint

Is it your time to try Fiberglass Bottomkote® Aqua?

It’s been just over a year since Sea Ray, Meridian and Bayliner manufacturing plants made the switch to Interlux Fiberglass Bottomkote Aqua as their preferred paint. In celebration of this one-year anniversary, Interlux takes a look at the winning qualities of the product.

- Colorfast, durable finish
- Quick drying
- Smooth Finish that optimizes speed and fuel efficiency
- High performance in all types of water
